

Wisconsin

The options for eligibility for the 2006-07 school year for a student from Wisconsin are:

- ***A set of courses similar to the State Scholars Initiative.*** This program of study requires passing grades in the following:
 - Four years of English;
 - Three years of Math (including Algebra I and a higher level course such as Algebra II, Geometry, or Data Analysis and Statistics);
 - Three years of science (including at least two courses from biology, chemistry or physics);
 - Three years of social studies; and
 - One year of a foreign language.
- ***Advanced Placement (AP) or International Baccalaureate (IB) courses and test scores.*** This program requires a minimum of two Advanced Placement (AP) or International Baccalaureate (IB) courses in high school and a minimum passing score on the exams for those classes. Students must score 3 or higher on AP exams and 4 or higher on IB exams.
- ***Wisconsin Coursework Requirements.*** This program requires:
 - Four years of English;
 - Three years of Math (including Algebra I and a higher level course such as Algebra II, Geometry, or Data Analysis and Statistics);
 - Three years of science (including at least two courses from biology, chemistry or physics);
 - Three years of social studies; and
 - One year foreign language, fine arts, or technical education.
- ***Wisconsin Dual Enrollment Program.*** High school students who complete at least two college-level courses in core subject areas that also count toward high school graduation, but are not admitted into a formal program of study, and demonstrate achievement of 3.0 or higher in the college-level course are eligible for Academic Competitiveness Grants.
